WEST VIRGINIA ARMY NATIONAL GUARD MINUTEMAN SCHOLARSHIP GUIDE FOR RECRUITERS AND APPLICANTS

Scoring Criteria:

Order of Merit (OML) development and selection will be based on a 1000-point scale. Applicants will be ranked using the Scholar, Athlete, Leader model and will be graded using transcripts from high school and/or college, the Army Physical Fitness Test, and the submitted essay that will reflect all leadership roles fulfilled during high school and/or college.

Transcripts from High Schools or Colleges will be scored based on the students CGP A. CGPAs will be multiplied by 100 which will give the students score (i.e. CGPA = 3.76 = 376 points). Transcripts must be sent directly from the school and addressed to the WVARNG Recruiter (High School Seniors) or the WVARNG Officer Strength Manager (Current Service Members). Addresses will be provided directly to the applicant by the WVARNG Recruiter or OSM. Transcripts printed by or mailed from the applicant will not be accepted.

The Army Physical Fitness Test consists of three timed events: Push-ups, Sit-ups, and 2-mile run. Each event is worth 100 points, for a total of 300 points. The unofficial extended scale will be used which will allow applicants to score over 300 points on the APFT. The extended scale will be used in the event of an overall tied score between two or more applicants. The WVARNG OSM Section will coordinate directly with applicants to schedule the APFT. There will be held of two dates: 18 March 2017: Minuteman Scholarship Army Physical Fitness Test WV North. Location: Camp Dawson APFT Track. Camp Dawson, WV and 25 March 2017: Minuteman Scholarship Army Physical Fitness Test WV South. Location: University of Charleston Stadium, Charleston, WV. Additional APFT information will be provided to the applicant upon APFT scheduling with the OSM Section.

Scoring Criteria (continued):

Leadership will be judged by the applicant's ability to communicate their leadership experience by submitting an essay (500 Word Minimum) to the WVARNG OSM. Leadership experiences may range from high school student government positions, athletics, jobs, volunteer experience, etc. It is important the applicant specifically describe their duties and responsibilities for each leadership experience and why they should be awarded this scholarship.

The Leadership Evaluation Board / TAG Interview Board will have a minimum of five WVARNG leaders, which can be Officers, Warrant Officers, and/or Non-Commissioned Officers (NCO). Each board member will be allocated a total of 300 points per candidate. The average of the board members' points will be used for the final leadership score of each candidate. Points will be awarded based on leadership positions held, volunteer work, duties and responsibilities, and the student's narrative on why they should be awarded this scholarship.
